

All Bangladesh-related Economists with Publications listed in RePEc

This is a list (compiled by the BDRC) of all Bangladesh-related Economists (those who are registered as well as those who are not registered with the RePEc Author Service) based on Bangladesh-related publications as listed in IDEAS/RePEc (as of October 13, 2008). There are more than 900 authors in this list. For further details, please see: <http://repec.org/> and/or <http://ideas.repec.org/>.

For a smaller list of about 150 authors, which only include RePEc-registered Bangladesh-related Economists, please see: <http://ideas.repec.org/g/banglaa.html>.
